Dear Mr. Sujatmiko,

My name is Inayah Wulandari. i'm 21 years old. I am graduate student in Computer Engineering at Sriwijaya State Polytechnic, and I will be awarded an A.Md.T. degree in September 2023. I am currently looking for a position related to Database/Graphics Package Design in the research and development department of a major company.

At Sriwijaya State Polytechnic, my research work involves Compilation of Relational Queries into Network DML. To enhance my background, I have taken some courses in computer graphics und database, Web Programming, and I have experience in and an understanding of the design of databases. With this background, I certainly believe that I am competent to meet challenging tasks and can make a good contribution to your company.

I have an advantage in my confidence, optimism and also in addition, I am creative, quick to learn, disciplined, and good at time management. I have experience in organizing because I was once an active member of the Student Executive Board of the Sriwijaya State Polytechnic where I was entrusted to be the head of the partnership division, in this organization I met many people and learned many things.

Enclosed is my resume, which indicates in some detail my training and experience. I sincerely hope that my qualifications are of interest to you and that an interview might be arranged at your convenience.

Thank you for your consideration. I look forward to hearing from you soon.

Sincerely yours,

Inayah Wulandari
